LEGENDARY PERFORMANCE™

2018 TradeUP Program

Qualified Trade In Models

These McIntosh models are eligible to be traded in towards the purchase of qualified new McIntosh models under the 2018 TradeUP Program. The TradeUP program offer is limited to McIntosh stereo power amplifiers, preamplifiers, integrated amps and receivers. Monoblock amplifiers are eligible but only when traded in and replacements are purchased in pairs. Home theater processors, multi-channel amplifiers, CD/DVD/Blu-ray players, tuners, other source components and speakers are not eligible.
